Dye Colorant 「LC COLOR」

1. Features

Among solvent-based alloy dyes, it is the clearest, most transparent, and highly water-resistant dye colorant.

It shows excellent color development in leather staining by thinner dilution and aniline finish such as adding to solvent-based fixing agent and using as a top coat.

2. Products

No.		Product name
01	LC COLOR	Yellow
02	<i>''</i>	Yellow (Lemon yellow)
03	<i>''</i>	Orange
